<b>Location</b>	Netherlands
<b>Position type</b>	Full-time
<b>Client name</b>	Confidential during pre-screening phase
<b>Salary</b>	Excellent package plus benefits (between €65.000 - €85.000)

#### Client Profile

Our client is an important player in the Dutch fresh produce marketing & distribution industry. The company enjoys a strong reputation with both growers and retailers in Europe and Russia and is part of a large group of international established companies who specialize in year-round marketing fresh fruit and vegetables. For their business with Russia & Eastern Europe Fruit Recruit is currently selecting an experienced

## Commercial Manager – Russia & Eastern Europe

#### Responsibilities

- Leading by example (pro-active team leader)
- Strategy development and implementation
- QA policy implementation
- Marketing strategy
- Budgeting

#### Working experience and skills

For this senior commercial role we are selecting candidates with a proven trading track record with Russia and Eastern Europe. This means you know the Russian and Eastern European marketplace and have in-depth knowledge of the key players in the Russian and Eastern European fresh produce industry.

Vision and vision implementation are important in this part of the business. Successful management experience and a result oriented mind are essential skills to be successful in this role. Besides the strategic responsibilities you are also keen to visit clients.

Your understanding of the financial (trading) aspects are second to none and greatly appreciated in this trading, quality, service and logistics minded organization. You like to take decisions, responsibility and have a track record of finding solutions.

#### Candidates

Applicants can submit their cv to [freshproduce@fruit-recruit.com](mailto:freshproduce@fruit-recruit.com). Please mention job ref. nr. 2239.

#### About Fruit Recruit

Fruit Recruit is a private boutique headhunting company dedicated to the global fresh produce, fresh cut & perishable logistics industry. We cover the supply chain “from field to fork”. Most of our clients are medium to large sized companies dedicated to growing, packing, food safety, logistics and retail.
